

SWATHI SUDHAKAR DEVADIGA

Software Developer

+91 9663915412 | sdsSwathi790@gmail.com | LinkedIn | Github | Leetcode | Portfolio

SUMMARY

Graduate Software Developer with experience in Python, SQL, and RESTful API development. Skilled in building scalable backend systems and full-stack web applications using the MERN stack. Proficient in React.js, Node.js, Express.js, and MySQL, with a strong focus on problem-solving and clean code.

PROJECT

Vitamin Deficiency Detection System | Deep Learning, ResNet-50, PyTorch, Python

Sahyadri College of Engineering and Management

Feb 2025 – May 2025 Mangalore, Karnataka

- Developed a deep learning-based Vitamin Deficiency Detection System using ResNet-50 and PyTorch, achieving 92% classification accuracy on medical images.
- Applied image preprocessing, data augmentation, and transfer learning on 4,020+ images and deployed the model through an interactive Streamlit web application for real-time predictions.

Employee Management System | MERN Stack

RDL Technologies Pvt Ltd

Feb 2025 – May 2025 Mangalore, Karnataka

- Developed an Employee Management System using Node.js, Express.js, and MySQL to manage employee records, including adding, updating, deleting, and viewing employee details.
- Implemented secure user authentication and role-based access control, along with features such as employee search, department management, and payroll information tracking.

EXPERIENCE

Full Stack Developer Intern

RDL Technologies Pvt Ltd

Feb 2025 – May 2025 Mangalore, Karnataka

- Built RESTful APIs using Node.js and Express.js with MySQL for managing 500+ employee records.
- Enforced JWT-based authentication and role-based access control, improving application security by 40%.
- Automated payroll and payslip generation using jsPDF, reducing manual processing by 60%.

EDUCATION

Bachelor of Engineering – Computer Science and Engineering

Sahyadri College of Engineering and Management – CGPA: 8.25

2022 – 2025

TECHNICAL SKILLS

React.js

JavaScript (ES6+)

CSS3

HTML5

Bootstrap

Node.js

Express.js

MySQL

DSA

Artificial Intelligence and Machine Learning

Python

GitHub

CI/CD

CERTIFICATIONS

Mastering Generative AI & ChatGPT

GeeksforGeeks

June 2025

SQL & Database Certification

Infosys Springboard

Feb 2024

Front End Web Development Internship

Edunet Foundation (AICTE & IBM SkillsBuild)

Aug 2025 – Sept 2025

ACHIEVEMENTS

Computing and Machine Learning, Springer Nature

2022 – 2025

- ISBN: 978-981-95-2875-2 – Contributed as an author to a peer-reviewed eBook on Machine Learning.
